This Notice of Completion and EPA's approval of Respondent's written notification pursuant to Section XXVIII of the Order shall become effective following the Respondents' placement of warning signs for the former impoundment area. The warning signs should include the following text/information: "U.S. EPA Superfund Site"; Site name; "No Trespassing"; "Warning: Hazardous Substances Present in Soil and Groundwater"; and "For Further Information Contact the U.S. Environmental Protection Agency at (800) 533-3508".
